

The Deputy Director of Central Intelligence

Washington, D.C. 20505

31 May 1983

NOTE FOR: DDO

Since we bought the basic equipment, I feel obliged to go forward with this request for accommodation procurement of the "Coding Cards," but why must we do this piecemeal? Why can't we have the entire program laid out all at once and not dabble us to death with piecemeal procurements? You can accept this question as rhetorical.
